what
a dumb "A"

Regina - I's A Punk

Gosh - We have been friends for so long. I remember when you first moved to Liberty school. We knew you from awesome CCD. We had some fun times. The retreat w/ Chad I, and those weird hippies! Camp Waluta - all those mosquitoes and the "snake in the water" ha ha! They never came to save us! Convention - that John guy, us standing on the suburbs, and dancing in our rooms, and that tall dweeby guy that kept following me around at the dance. Remember? you better be going to A+M so we can PARTY? next year!! I want you to know what a special friend + person you are!

Ya lots -

Cheryl

Regina, I's A Punk Boy!

I'm really ashamed to have you as one of my friends because you are such a failure and never make good grades. I'm really just kidding, you're really very smart, and I am honestly glad that you are my friend. But if you do make higher than me in English it is only because Geranita likes you better than me.

No my very best
Tipping buddy, love
ya lots

LHS

Where do I begin? We have been friends since kindergarden. We have been close friends forever. You are a special friend to me and Cheryl. We have had a lot of fun times together. All of our trips to the Haunted Hotel, the retreat, CCD, and convention. Remember the guy we tried to get away from Cheryl at Convention, the John guy, gross!! And how could you forget our Diet Coke and animal crackers. Fatty Janice was so stupid! How she griped them out! HA! HA! Never forget "who you are?" HA! HA! HA! I hope you go to A+M so that we can stay close. Even if you don't, I know that we will still be great friends for a long time!

Regina is a Punk Boy

What's up buddy
It's been fun having you
as Mrs. Turner's aid for
B.L. Stay sweet, friendly, and
best of all, stay tall! (smile)
your friend,
my friend

Love ya lots -

Remember, when I get my car... It's PARTY

You are such a goofball!

P.S. Remember

Very Patriotic!

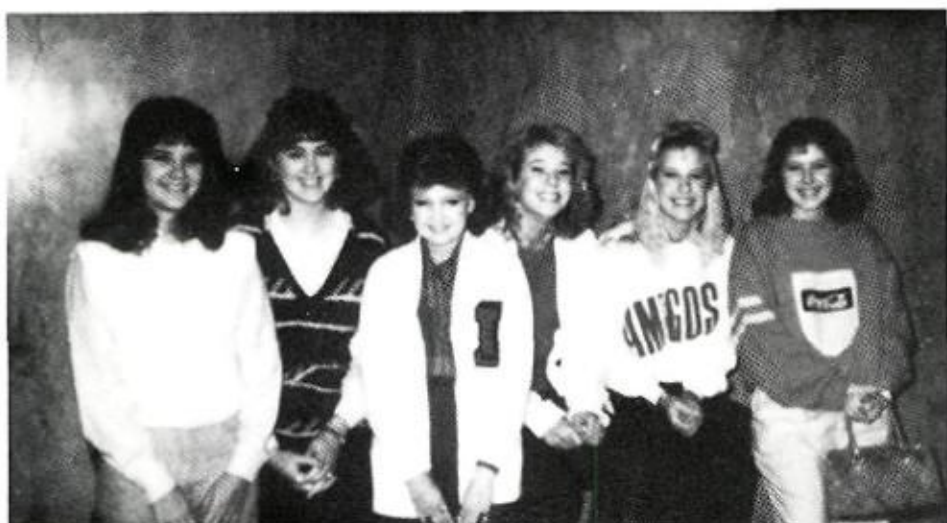

The TOY'S 'R US Kids!

You Decide!

IN LOVING MEMORY OF NANCY EVANS

If Nancy could leave us with one thought, it would be to live every moment to its fullest. She lived by this rule and set an incredible example. Even in illness, she kept her chin up. If we at LHS work to have half of her fantastic attitude toward life, Nancy's spirit will live on through us, as it should.

Chris Moorman and Jeff Fretwell planted donated trees to raise money for the Mindy Hafner Scholarship.

LHS students assemble for the first tree lighting project to raise funds for the Mindy Hafner Scholarship.

The purpose of the LHS Library Club is to stimulate reading, encourage an interest in library media, promote the library in our school, and to render a service to our student body. Membership in the local club automatically makes a person a member of the district and the state Teen Age Library Association. Some of the activities of the 1987-1988 club included attending the TALA district meeting in Hearne, Texas, in November. The club also decorated the library for special events, honored the faculty with desserts during Book Week, participated in the TALA state convention in Austin. This year the club created the Mindy Hafner Memorial Scholarship in memory of Mindy Hafner who served the Library Club for two years as vice-president and was an active and enthusiastic member. The club raised over \$1100.00 for this scholarship by selling lights for the Christmas tree, placing collection cans in various businesses, and selling and planting trees in Mindy's memory. The club held a close of school party honoring the graduating senior members of the club.

MISS LHS

Nancy Evans

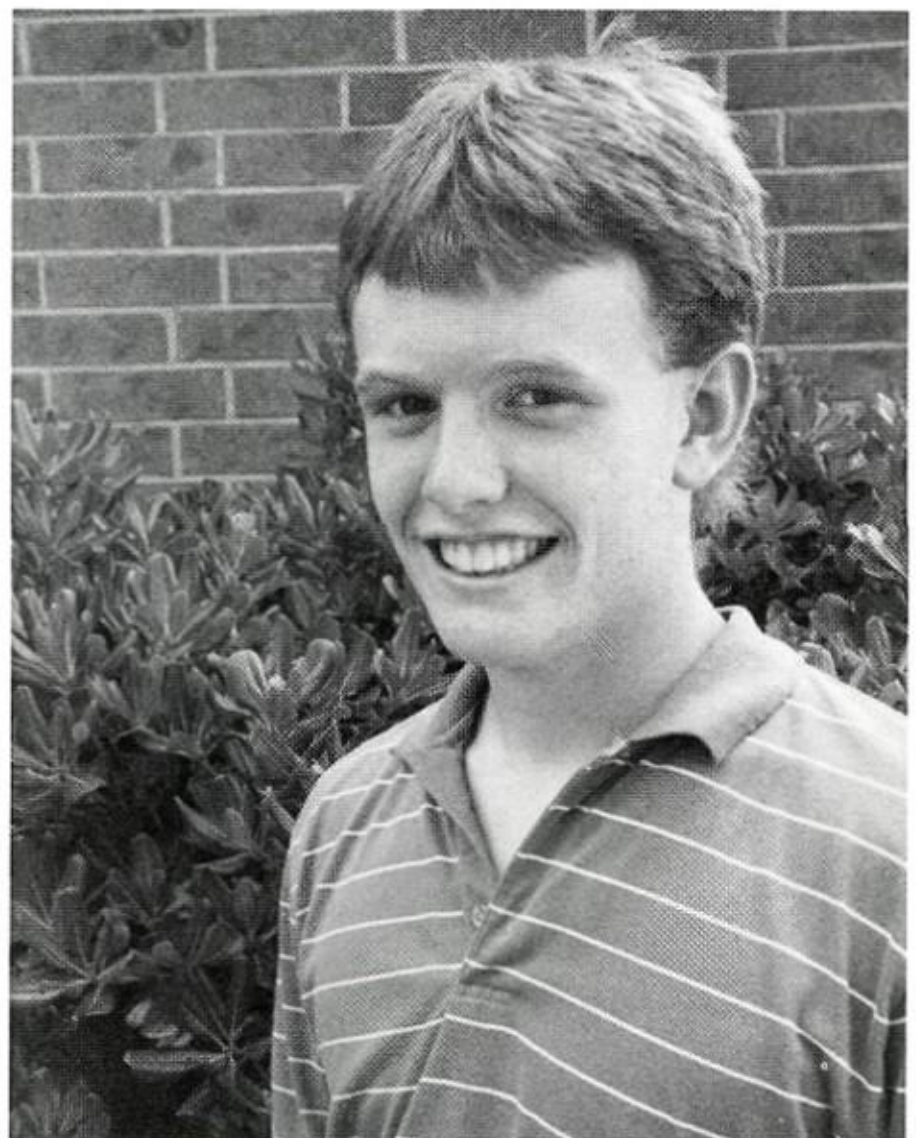

Nancy was with us only a short while, but her determination and dedication inspired all who knew her. She truly represented what LHS students and faculty consider an ideal student — making excellent grades, working in extracurricular activities, and never giving up, even facing insurmountable odds. Thank you, Nancy, for all you gave to us.

Mr. and Miss LHS are seniors chosen by the faculty from students nominated by the Senior Class. The two students selected represent their class as the most all-around students. They are doubly honored since they are chosen, not only by their peers, but also their teachers.

The year is over.
 The work is done.
 Through hard work and deadlines,
 We still had fun.
 We hope when you look at these pictures here,
 You will find some good memories of this year.
 For that is the purpose of this work we do,
 To remind you of the things that were fun for you.
 And as the years go by and we tend to forget,
 We can pick up this book and remember yet,
 The year '88 had times both happy and sad.
 But through it all we should still be glad,
 For the friends and acquaintances we have known.
 These things we will always have for our own.
 Best of luck to you who are leaving us here.
 But we will always be able to remember this year.
 For through the pages and pictures of this book,
 We can go back again for another look,
 And remember the times that went by so fast,
 For this "Year In Pictures" will help our memories last.

Regina,
is A PM

AK! Zm!

Well its hard to start! We've been through
a lot in just a few years. It seems like we have
been friends forever, but I can remember when
we hated each other. There's always those things
that I'll never forget like all the times in Beaumont,
skipping school, and me always getting caught,
my corner - where I had to chase the car. That
night at whataburger - the hand! Going by Conoco!
I think I'll go by there till I'm 40 years old! ha!
I'll never forget the time we walked around
Hardin, boy that was stupid! Remember how
funny the Retreat was! And Famous Camp Waloota!
Dump - I guess I'll never live that one down.
Oh yea I can't forget the Rainbows at the LAKE!
And the time AT Grandma's remember mark!
We still have to fly to Dallas! the day I got by
tires that we'll be a day that we'll never forget at
Pizza Inn - my DAD - but he's done forgot! (the Fish Bowl)
I'll miss ya a lot when you graduate - but don't
worry I'll still be there to bug you! If you ever
need anything you know I'm here! Just like I
know I can count on you! Hope you don't turn
like other people I know! But you won't because
your sane. Oh buddy I can't forget Kenneth's birth-
day drunk - in front of everyone! Oh yea and the
Alabama Concert that was great! Well I hope we
have a lot more good times! Hope your senior
year is the best! (Oh! can't forget Jeff!)
